2025 14th International Conference on Computer Technologies and Development

Leeds, UK |  August 8-10, 2025
(TechDev2025)

2025 14th International Conference on Computer Technologies and Development (TechDev) will be held in Leeds, UK during August 8-10, 2025. It aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government to discourse on research and development, professional practice in computer technology. Welcome scholars and researchers working in the field of computer technology and development from all over the world to attend the conference and share your experiences and lessons with other enthusiasts, and develop opportunities for cooperation.

PUBLICATION

Submitted papers will be strictly reviewed by the technical program committee. Accepted papers after successful registration and presentation will be included in the **Conference Proceedings** and submitted for indexing by **Ei Compindex** and **Scopus**.

Authors of selected papers will be invited to extend their research for journal publication:

International Journal of Information Retrieval Research (IJIRR) for reviewing, and accepted papers will be published after successful registration, which will be indexed by **Web of Science Emerging Sources Citation Index (ESCI)**, **INSPEC**, and 16 more indices **Impact Factor 1.1**

International Journal of Future Computer and Communication (IJFCC) for peer review, and accepted papers will be published free of charge, which will be indexed by **Crossref**, **Electronic Journals Library**, **INSPEC(IET)**, **Google Scholar**, **EBSCO**, etc.

CALL FOR PAPERS

Track 1: Computer Organizations and Architectures

Track 2: Operating Systems, Software Systems, and Communication Protocols

Track 3: Real-time Systems, Embedded Systems, and Distributed Systems

Track 4: Digital Devices, Computer Components, and Interconnection Networks

Track 5: Specification, Design, Prototyping, and Testing Methods and Tools

Track 6: Artificial Intelligence, Algorithms, Computational Science

Track 7: Performance, Fault Tolerance, Reliability, Security, and Testability

Track 8: Case Studies and Experimental and Theoretical Evaluations

Track 9: New and Important Applications and Trends

SUBMISSION

Please submit your full paper/abstract via the Submission System:

<https://www.zmeeting.org/submission/techdev2025>

IMPORTANT DATES

- ✦ **Submission Deadline: May 25, 2025**
- ✦ Notification of Acceptance: June 25, 2025
- ✦ Camera-Ready Submission: July 10, 2025
- ✦ Registration Deadline: July 10, 2025

INVITED SPEAKERS RECRUIT

TechDev 2025 welcomes scholars and professionals to apply as Invited Speakers!

Eligible applicants should have solid expertise or notable academic contributions in related fields.

Selected speakers will be featured on the conference website, gaining increased academic visibility, and will have a **25-minute** slot to present their research on an international stage. Presentations can be in **abstract** or **full-paper** format, with accepted full papers having the opportunity for publication in the conference proceedings.

If you are interested in becoming an Invited Speaker, please send your CV to TechDev_conf@outlook.com

ABOUT LEEDS

Leeds, a city in West Yorkshire, England, was one of the leading centers of industry in Victorian England. The Leeds City Museum is a great place to explore local history, and many visitors recommend the Royal Armouries as a must-see attraction. The city also offers beautiful parks and a vibrant restaurant scene featuring international cuisine.
